There have been thousands of UFO sightings since the beginning of recorded history. References have appeared in cave paintings, to the Bible, and the Pyramids. Presently, UFO's still dominate our news.

*Is the new Millennium a sign of things to come?
Is the government suppressing information?*

The UFO Chronicles investigates these reports of contacts, abductions, landings, and un-explainable events surrounding sightings of UFO's. This in-depth investigation uses many de-classified photos, videos, and eye-witness accounts.
