Blind Sight (1 x 82')

Detective Frank Moreno (Erik Estrada) is a good homicide detective on the bad streets of Los Angeles. While investigating the mysterious murder of a think tank scientist, Moreno is electrocuted and taken to the hospital on the edge of death.

Brought back to life in the ER, Frank finds that although he has lost his vision he has gained precognition and second sight. Hunted by national security agent Silvestri (Robert Vaughn of "THE MAN FROM U.N.C.L.E.") and haunted by his ever-

increasing visions, he must now delve into the scientist's death while avoiding the agents. Will Frank discover how all the pieces fit together with the puzzle of his developing ESP before it's too late?

Erik Estrada stars in this supercharged action-thriller set against a most dangerous game of computer espionage.
