

Hosted by: *Robert Vaughn, Robert Duval, Paul Sorvino, Alan Thicke, and Patric Macnee. (1 x 60')*

Embark on a fantastic celebrity led journey of discovery and adventure to the southern tip of Africa, a land where man and animal live side by side.

See what is being done to preserve endangered wildlife and ancient cultures. See how this part of the world moves from turbulent to promising.

This documentary focuses on the South African wildlife preserve, the new political climate, and how the 21st century will re-shape this vast un-explored territory.
